Rotating Electrics

H. Bowers

Rotating Electrics

Issue 5.00

All products have been developed with our five key objectives firmly in mind and which we consider to be central to the success of our joint trading relationships.

1. We are committed to providing our customers with the highest levels of service.
2. We are committed to marketing and selling only the highest quality products.
3. We are committed to offering value for money.
4. We are committed to providing added value, service and support.
5. We are committed to consistent and continual improvement of our range and services, which allows us to remain that little bit unique in our market place.

It is our intention wherever possible to continue to add further references to the Five Star Product range and we will communicate these to you via our quarterly bulletins. I do hope that you will find H. Bowers Ltd fulfils your requirements.

Kind Regards

Jeff Savage
Managing Director of H. Bowers Limited

Quality Service Since 1939

Catalogue Information

Please Read

This catalogue has been divided into multiple coloured sections containing various groups of similar products. All products are listed in ascending part number order within their given section or sub-section. The list to the right shows a breakdown of each section for easy group reference.

Please check the H. Bowers website for the latest product releases.

Visit us at www.bowersmidland.co.uk.

Keeping you ahead of the game.

All sizes are millimeters (mm) unless stated.

Plug images and other markings/symbols are specific only to the part number they are listed with and do not necessarily relate to similar products. Always read the description.
